

Guestbook

Contributed by COR Group

Prof. Francesco Bullo, University of California at Santa Barbara, USA

"Geometry, optimization and control in robot coordination"

July 21, 2009 - Università del Salento - Lecce Prof. John Hauser, University of Colorado, Boulder, USA."High Performance Maneuvering for Thrust Vectoring Aircraft"

June 28, 2007- Università del Salento - Lecce

Dr. Hans-Ulrich Kobialka, IAIS Fraunhofer, Sankt Augustin, Germany.

"Behaviour design and test for autonomous underwater vehicles"

March 21, 2007 - Università del Salento - Lecce

Prof. Dr. Thomas Christaller, IAIS Fraunhofer, Sankt Augustin, Germany.

"Artificial Intelligence - What does it really mean?"

February 24, 2007 - Università del Salento - Lecce

Prof. Per-Olof Gutman, University of Haifa, Israel.

"An overview of Quantitative Feedback Theory"

"Controlling mechanical systems with backlash"

July 13 and 14, 2006 - Università del Salento - Lecce Dr. Ing. Simon G. Fabri, Faculty of Engineering - University of Malta.

"Trajectory Tracking and Obstacle Avoidance in Mobile Robotics"

September 16, 2005 - Università di Lecce Dr. Emanuele Menegatti, Università di Padova.

"Omnidirectional Vision (from History to Mobile Robots)"

December 19, 2003 - Università di Lecce Prof. Paolo Fiorini, Università di Verona.

"Problematiche di scelta e pianificazione del cammino"

July 28, 2003 - Università di Lecce Dr. Ansgar Bredenfeld, IAIS Fraunhofer, Sankt Augustin, Germany.

"RoboCup and Mobile Robotics: an overview"

January 21, 2003 - Università del Salento Prof. Antonio Pascoal, Technical University of Lisbon, Portugal.

"Autonomous Robots: Tools for Ocean Exploration"

"Navigation, Guidance and Control of Ocean Robots: Theoretical ..."

January 20 and 21, 2003 - Università del Salento
